Re: Olin Chemicals/McIntosh Plant Site
Phase III Sampling and Analysis Plan

Dear Ms. Smith:

This office has reviewed the above document referencing the June 22 and June 26 Olin transmittals "Response to EPA Technical Review Comments", which includes EPA response to the draft Phase III SAP, and "Guide to Changes".

We concur with the Plan as being acceptable to further characterize this NPL site.

If there are any questions, please contact this office at (205) 271-7939.

Sincerely,

Joseph E. Downey
